

# Man in Office

Larry

THIS is the third selection of drawings by one of *Punch's* most popular cartoonists, who this time has gone beyond the home and tracked the human male down to his place of work. The book is equally as amusing as its predecessors.

295

To My Dear Ken,

"Oh wad some power the Giftie  
gie us

To see ourselves as others see us!"

All my love,

Val.
